BUILDING ENVELOPE SPECIALISTS

ESPECIALISTAS EN ENVOLVENTES

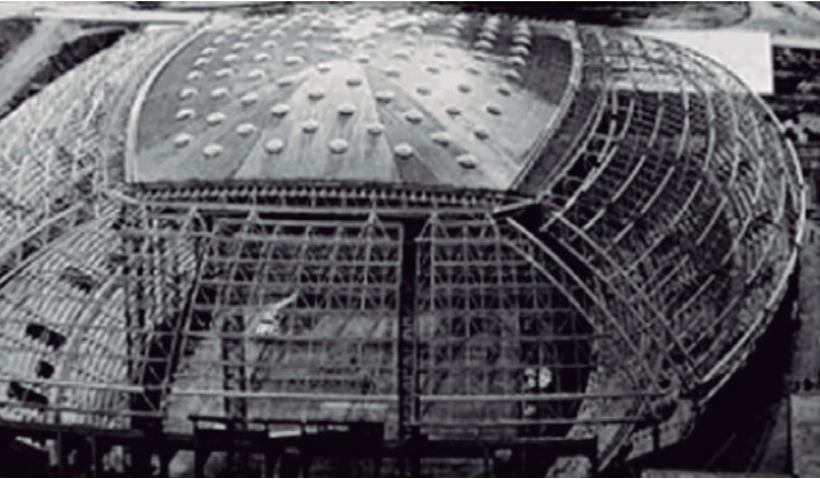

WE MAKE YOUR **PROJECT A REALITY**

We've specialised in a full range of structural solutions since 1977, from complex roofing and freeform designs to steel and glass structures, façades and retractable roofs. We offer an end-to-end, bespoke service for our clients that includes engineering, design, manufacturing/supply and assembly.

HACEMOS SU **PROYECTO REALIDAD**

Desde 1977, somos especialistas en soluciones para todo tipo de envolventes; cubiertas complejas, freeforms, Steel and glass, fachadas, y cubiertas retráctiles. Ofrecemos un servicio completo y a medida para nuestros clientes; ingeniería, diseño, fabricación/suministro y montaje.

EXPERIENCE EXPERIENCIA

Palau Sant Jordi. [Architect](#): Arata Isozaki

We've completed over 1,500 projects in more than 40 different countries to date, a key factor when it comes to reliably tackling all types of different projects.

Desde nuestros inicios hasta ahora hemos realizado más de 1500 proyectos en más de 40 países diferentes. Un factor clave para abordar con total fiabilidad todo tipo de proyectos.

BESPOKE A MEDIDA

We deliver bespoke projects that include everything from design and calculation to manufacturing and/or supply and assembly. We offer a full suite of solutions for complex projects that are curated to meet the client's technical and aesthetic specifications.

Realizamos proyectos a medida ofreciendo diseño, cálculo, fabricación y/o suministro y montaje. Ofrecemos todo tipo de soluciones para proyectos complejos que se adapten perfectamente a los requerimientos técnicos y estéticos del cliente.

/ SUSTAINABILITY SOSTENIBILIDAD

We're a company that's committed to the environment, evidenced by our EPD certification. LANIK is determined to minimise its environmental impact by being responsible and efficient in how we use natural resources and by cutting down on waste, discharges and emissions wherever possible, as well as preventing pollution.

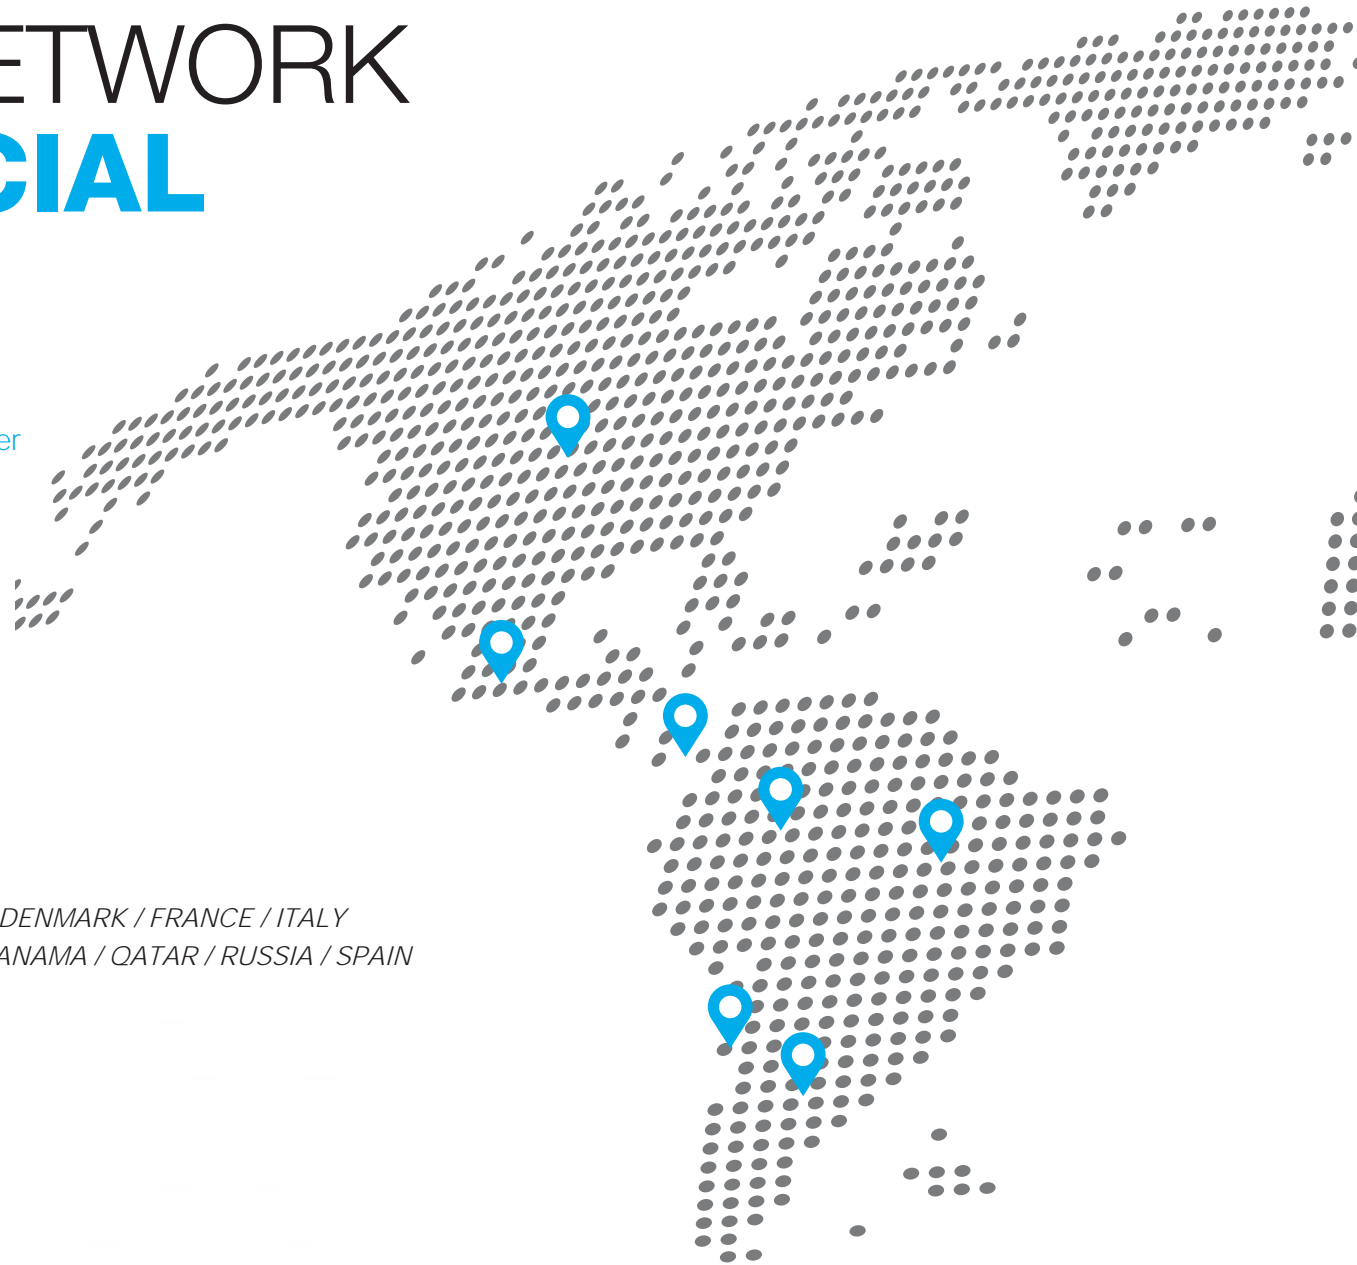

Somos una empresa comprometida con el medio ambiente, por esta razón contamos con la certificación EPD. LANIK se compromete a minimizar el impacto ambiental de su actividad a través de la responsabilidad y uso eficiente de los recursos naturales y reduciendo, en la medida de lo posible, los residuos, vertidos y emisiones atmosféricas, así como la prevención de la contaminación.

BUSINESS NETWORK **RED COMERCIAL**

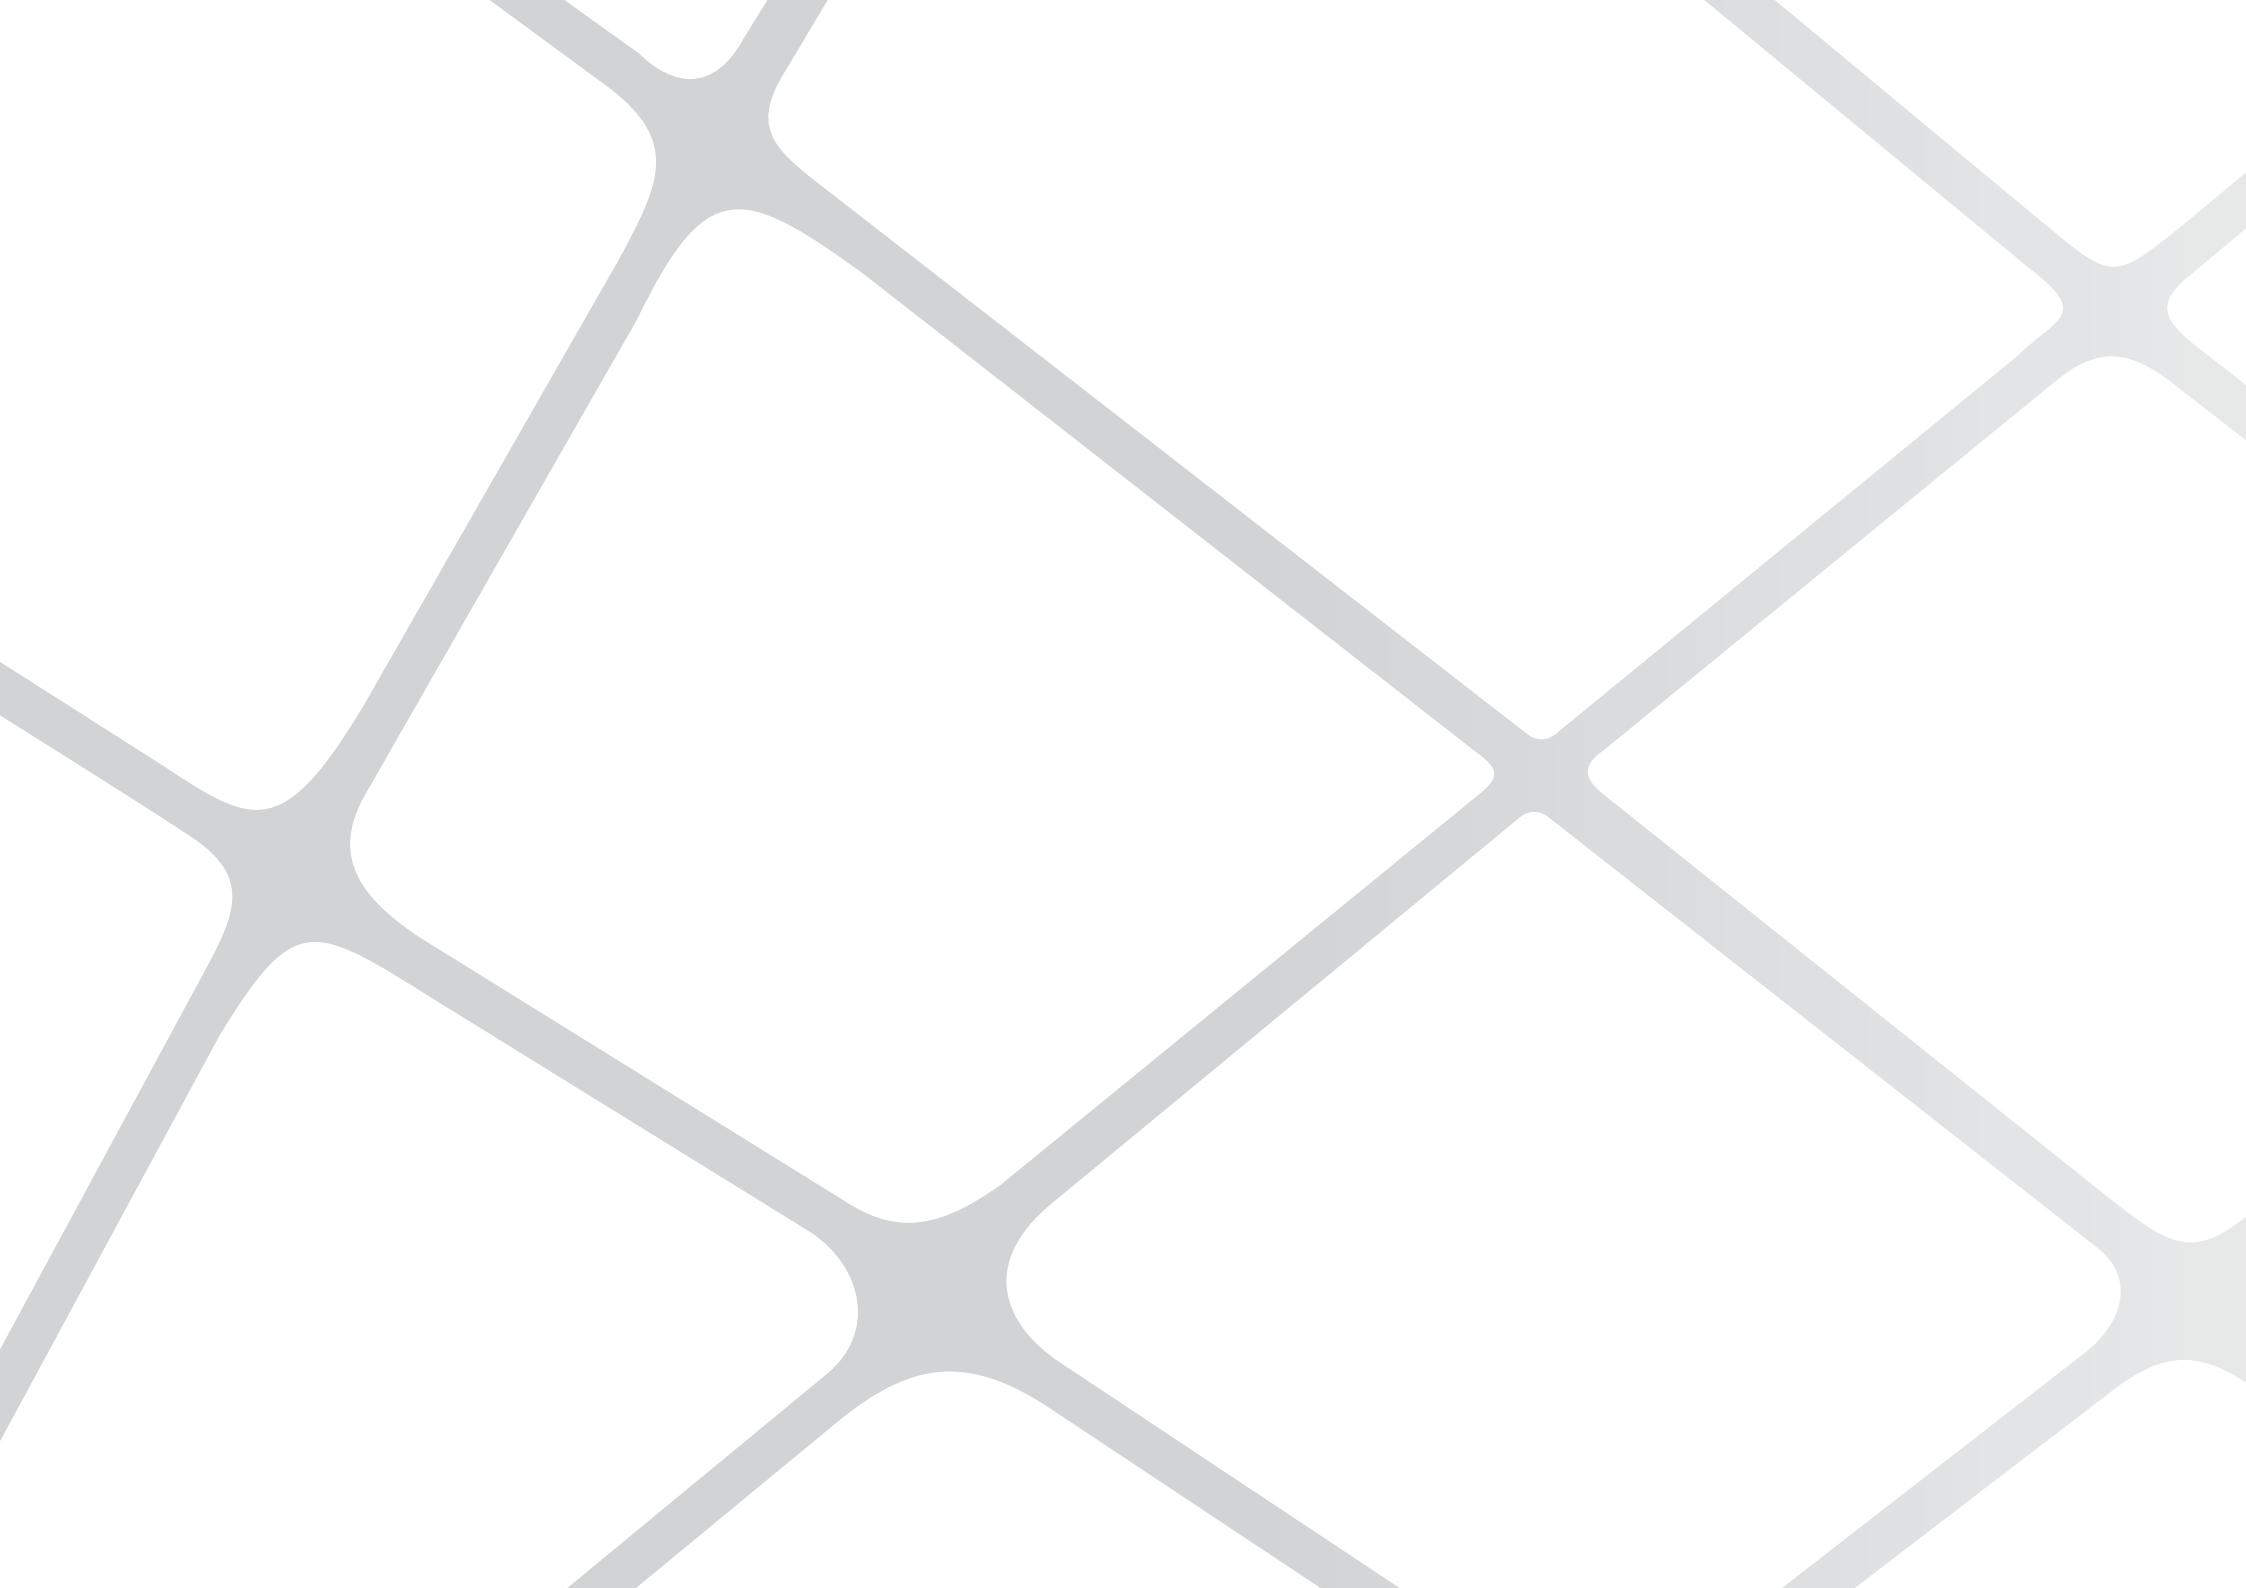

We have an extensive sales network that allows us to offer our services worldwide.

Contamos con una amplia red comercial que nos permite ofrecer nuestros servicios en todo el mundo.
